

SCIENTIFIC MEETING

CLASSICAL AND QUANTUM GRAVITY

Thursday 22 May 2008, Starts 9.45 am

Strand Campus, King's Building, Edmond J Safra Theatre
Department of Mathematics, King's College London

Organized by George Papadopoulos (KCL, george.papadopoulos@kcl.ac.uk)

The Editorial Board of *Classical and Quantum Gravity* will be convening for their annual meeting in London in May and will be taking the opportunity to hold a one-day conference to present and discuss their latest research. The meeting will cover the broad range of subjects represented on the Board and some external speakers have also been invited.

Provisional Speaker Programme

- **V Balasubramanian**, University of Pennsylvania, Philadelphia, USA
- **V Frolov**, University of Alberta, Edmonton, Canada
- **G Gonzalez**, Louisiana State University, Baton Rouge, USA
- **J Gutowski**, University of Cambridge, UK
