

Mathematics

Teachers Conference

Wednesday 25 April 2001

10.15 **Coffee**

10.50 **Welcome**

11.00 **“The Mathematics of Global Warming and Diabetes”**

Peter Saunders (Professor of Mathematics, King’s College)

Some very simple mathematics helps us understand how both the Earth’s temperature and the concentration of glucose in our blood are controlled—and also how things can go wrong.

11.45 **“Growing Mathematics Teachers”**

Steve Abbott (Deputy Head, Claydon High School)

Steve Abbott is President of the Mathematical Association and Editor of the Mathematical Gazette.

12.45 **Lunch** and a chance to talk informally with speakers and staff

2.00 **“Towards an enrichment criterion for able pupils”**

Tony Gardiner

(Reader in Mathematics and Mathematics Education, University of Birmingham)

Tony Gardiner is a former President of the Mathematical Association.

followed by a **discussion**

3.30 **Close**, and tea

Further information from Dr J R Silvester, Department of Mathematics, King’s College, Strand,
London WC2R 2LS. Tel 020 7848 2864 (direct line) or 020 7848 2107 (office). E-mail maths@kcl.ac.uk

Please return this form by 31st March 2001 to Dr J R Silvester enclosing a non-returnable £8 registration fee (which also includes lunch, coffee and tea). Cheques should be made payable to King’s College, London.

Payment must accompany this form: we cannot issue invoices.

I should like to attend the Mathematics Teachers Conference on 25th April 2001, and I enclose a registration fee of £8.

Name Title Post

Name and address of school or college.....
.....

Postcode E-mail.....

NB If more than one wish to attend from your school or college, please photocopy this form as appropriate. Though we hope to accommodate all who wish to attend, numbers may have to be limited. We intend to reply to all applications; if you have not heard from us within about three weeks of your application, please telephone to check if we have received your application.
